In CLASS This Week....

Math: We will continue our focus on counting and cardinality. We will review our numbers 0-10 and building corresponding sets. We will look at how we can group our sets so we can utilize our subitizing.

Letterland: We will focus on Munching Mike and Talking Tess this week. We will look at identifying words that rhyme and start to take three separate sounds and blend them together to make a word.

Reading: We will focus on using our pictures to help support us as we put our focus on our words. We will explore the character's feelings by analyzing pictures. We will work on changing our voices to show how the characters feel.

Writing: We are starting our Show and Tell unit. We will be looking at making sure our picture shows who our story is about and where we are. We will add labels to our pictures to give more information.

News and Updates:

- Fall Picture forms came home this week. Everyone will take a picture (even teachers!), as these will be their photo used for the yearbook. Fall picture order packages are pre-pay only. Please send your child's envelope in before our picture day (October 29th). You can also pay online at strawbride.net using the code: FM329149. If you order online, please send in the envelope with your online order number.
- We had a lot of fun during spirit week. Please see our class dojo for pictures and videos from this week.
- Seesaw accounts are up and running with your child's videos on their account. Please let me know if you need the sign-in code resent so you can see your child's videos.

FROM PTA:

- LES PTA is proud to offer an online only fall spirit wear special order. Visit LESPTA.com to place your order.
- Last day to turn in Box Tops is October 21st. Send your clipped Box Tops to school in a baggie labeled with your child's grade level. Each Box Top equals 10 cents. Box Tops benefit our LES PTA.
