In CLASS This Week....

Math: We will continue our focus on counting and cardinality. We will identify numbers 0-10 and when building numbers 6-10 we will make a group of five and then place the extras under the first group of five.

Letterland: We will focus on Sammy Snake, plural words with Sammy Snake and Sleepy Sammy Snake (where he makes a /z/ sound; goes, boys).

Reading: We will focus on using our pictures to help support us as we put our focus on our words. We will explore the character's feelings by analyzing pictures. We will work on changing our voices to show how the characters feel.

Writing: We are continue our Show and Tell unit. We will think about places that are important to us and that we can write about. We will think about details of these places and look at how we can show these items in our pictures.

SPECIALS THIS WEEK...

Monday: PE

Tuesday: Library

Wednesday: Art

Thursday: Health & Fitness

Friday: Teacher Workday

Needed in CLASS:

Math: Practice writing numerals using correct formation and create a matching representation.

Letterland: Write letters using the correct letter formation and match the pictures to the beginning sound.

News and Updates:

- Fall Picture forms came home last week. Everyone will take a picture (even teachers!), as these will be their photo used for the yearbook. Fall picture order packages are pre-pay only. Please send your child's envelope in before our picture day (October 29th). You can also pay online at strawbride.net using the code: FM329149. If you order online, please send in the envelope with your online order number.
- Seesaw accounts are up and running with your child's videos on their account. Please let me know if you need the sign-in code resent so you can see your child's videos.
